Proudest Accomplishment Since Graduation: Getting to make two tours to Europe playing music & singing; A jazz tour in '96 to Holland, Belgium, France & Germany, and a rhythm & blues tour in '98 to France, Switzerland, Austria, Slovenia, Croatia, Italy & Germany. I never dreamed I would ever get to do that. It was incredible!

Hobbies & Interests: Golf, Reading, Playing Music—Yes, I still have a band

Fondest Memory from High School: Football game victory parties; dances at the Legion Hut, Thursday night pep rallies at the courthouse, David Hughes' pictures outside the principal's office, sneaking a kiss in the hall before school, spending study hall in the bandroom alone with Darlene Moody—still don't know how I pulled that one off! And Pam Flournoy. As you can see, I have many good memories!

Who all have you kept in contact with? Ron King

Who are you hoping will make it to the reunion? Mike Rabb (I've talked to him a few times over the years but I haven't seen him since H.S. I'd like to "visit" with him).

Describe yourself in TWO words: Very detailed

Special Notes or Thoughts you would like to share: It amazes me the paths that our classmates have traveled; so varied & different. We're spread across the country and around the world. I hope everyone will make the effort to come to the reunion because we don't know if we'll ever have this opportunity again.
