Proudest Accomplishment Since Graduation: Seeing both children graduate from college, marry good Christian partners and give me sweet grandchildren!

Hobbies & Interests: Enjoy working in my yard, traveling and spending time with our children and grandchildren.

Fondest Memory from High School: Close friendships, football games and hanging out at different houses after games, cruising Military, bunking parties.

Who all have you kept in contact with? Patricia Parson Eubanks, Liz Laster Mullins, Janie Witham McAdoo

Who are you hoping will make it to the reunion? Would love to see DaVone Harris-I've lost touch with her.

Describe yourself in TWO words: Happy grandmother!

Special Notes or Thoughts you would like to share: So many of my school memories, as well as years since, involved Sherry Shelnut Austin. We had remained very close friends and I miss her very much. She was such a leader in our past reunions and right now I just can't imagine one without her. I won't be attending this year—maybe the next one.
