Special Notes or Thoughts you would like to share:

In 40 years, I've only been back to Benton once and that was only 6 months after graduation. But, many times I think about the great times at BHS and the many friends I had there. Most of my friends here can't believe that I actually saw the Beatles in 1966 in Memphis. Me, Bill Killian and a couple of others had quite a "road trip" for that concert. I really hope that my schedule will allow me to attend the reunion, but if not, I hope that everyone will consider me there in spirit.
